

# Budget Can Be Brilliant, Too

Discover the industrial printer that delivers more for less

You've got a lot to accomplish that a desktop printer just can't support. You need more. More speed, more reliability and more durability. Get it all—without breaking your budget—with the ZT111, Zebra's newest light-industrial printer.

## Whether you're considering the move to industrial printing

Faster print speeds and more throughput to get more done

Durable to use in light-industrial environments

Compact footprint to maximize your workspace

## Or, you're looking to get more out of your investment

More ways to connect

Keep pace with evolving technology

Flexible to add options later

ZT111

# Don't compromise between budget and quality

## Easy to Set Up and Operate:

Access Zebra-only software tools that make integration and operation a breeze for IT

## Protect from Tampering:

Prevent unwanted settings changes while in use with Protected Mode

## Prevent Unexpected Downtime:

Predict printhead replacements and forecast your supplies usage with onboard analytics

## Built to Last for Years to Come:

Print more for longer with a durable metal frame made for light-industrial environments

## Fast Speeds and High Resolution:

Print sharp text, barcodes and graphics with fast print speeds of up to 8 ips at 203 dpi

## Space Saver:

Maximize your workspace with a compact footprint and bi-fold door

## Multiple Ways to Connect:

Choose from a variety of connectivity options like Ethernet, Serial, USB host port and wireless

## The Right Features at a Fraction of the Cost:

Get the Zebra quality you deserve at a price that matches your budget

Print confidently knowing you're backed by the #1 leader in barcode printing with more than

# 50 Years

of expertise and innovation.

Printing Zebra pays off
