

Introducing the ZD410 Direct Thermal Printer

**THE LITTLE 2-INCH LABEL PRINTER THAT
REDEFINES THE INDUSTRY STANDARD WITH MORE...**

- A more space-saving design to fit in the tightest of spaces.
- Best-in-class print quality with a 300 dpi option — ideal for small labels, specimen containers and more.
- Disinfectant-ready plastics — ideal for clinics, labs, pharmacies and nurse stations.
- More media flexibility — standard movable media sensor accommodates off-center black marks, die-cut notches and more.
- Updated user interface makes it easier to use and troubleshoot.
- More connectivity options — just about every modern connectivity option you can imagine for easy installation, including 802.11ac Wi-Fi and Bluetooth 4.1.
- All with plug-and-play replacement of aging Zebra LP2824 Plus and competitive printers.
- Integrate, manage and maintain your printers from any location with Link-OS, only from Zebra.

**THE ZD410 —
THE LITTLE PRINTER
DESIGNED WITH BIG
BUSINESS FUNCTIONALITY.**
