

Offering a more flexible alternative to dot matrix technology, the GP-C831 combines the sturdiness of a dot matrix printer with the advantages of inkjet, such as wider media compatibility and higher-quality prints.

Unlike dot matrix printers, the versatile GP-C831 can print advanced barcodes, crisp text and photographs, and can be used with a variety of media, including glossy paper and labels. Whatever the media used, Epson's DURABrite Ultra pigment ink yields long-lasting prints that resist water, fading, smudging and highlighter pens.

The GP-C831 has a durable build and is designed to provide up to five years of high-volume, high-performance printing. Patented Epson technology protects the printhead nozzles from dust, making the GP-C831 suitable for demanding environments.

Helping to improve efficiency, the GP-C831 prints up to 19.7 pages per minute in super draft mode, and clears paper jams in seconds by automatically releasing the paper if an error occurs. This is backed up by a push-button manual paper release.

The GP-C831 comes with parallel, USB and LAN 100/10BASE interfaces as standard to make integration easy.

---

## KEY FEATURES

---

- Prints on continuous paper
- Prints advanced barcodes
- Use with glossy and label media
- Long-lasting prints
- Anti-nozzle-block technology

## PRODUCT SPECIFICATIONS

<b>TECHNOLOGY</b>	
Printing Method	Epson Micro Piezo™ Serial inkjet printer
Nozzle Configuration	360 Nozzles per colour
Colours	Black, Cyan, Yellow, Magenta
Ink Technology	Epson DURABrite™ Ultra
Category	Industrial colour label printer
<b>PRINT</b>	
Printing Resolution	Max. 5,760 x 1,440 dpi
Printing Width	max. 2,032 mm
<b>SUPPORTED MEDIA</b>	
Formats	Fanfold media
Width	Min 762 mm, Max 2,413 mm
<b>GENERAL</b>	
Interfaces	USB 2.0 Type A, Bidirectional parallel, Ethernet interface (100 Base-TX / 10 Base-T)
Power Supply	External
Supply voltage	100 ~ 240 V, 50 ~ 60 Hz
Power consumption	Printing: Appx. 33 W, standby: Appx. 8 W
Temperature / humidity	Printing: 10~35°C (20~80 % RH), Storage: -20~40°C (5~85 % RH)
Product dimensions	464 x 465 x 224 mm (Width x Depth x Height)
Product weight	12.2 kg

---

## WHAT'S IN THE BOX

---

- AC Adaptor
- Driver and utilities (CD)
- Main unit
- Setup guide
- User manual
- Individual Ink Cartridges

---

## LOGISTICS INFORMATION

SKU	C11CC68132
Dimensions Single Carton	680 x 589 x 424 mm
Carton Weight	15.5 Kg
Country of Origin	Indonesia
